**That the Built Heritage Sub-Committee recommend that Planning Committee recommend that Council:**

- 1. Approve the controlled demolition of the fourth bay of the three-storey structure generally in accordance with the plans received on June 9, 2016, conditional upon the concurrence of the Chief Building Official regarding the methods to be followed in the execution of the proposed removal;**
- 2. Impose as a term and condition of the controlled demolition of the fourth bay of the three-storey structure that every effort be made to retain historic fabric in situ, and if retention in situ is not possible, the applicant shall make every effort to rebuild the wall using materials from the original building, according to plans developed in consultation with the applicant, Heritage staff and the Chief Building Official as part of the process leading to the issuance of a building permit;**
- 3. Approve the demolition of the three east bays of the structure generally in accordance with the plans received on June 9, 2016, conditional upon the concurrence of the Chief Building Official regarding the methods to be followed in the demolition;**
- 4. Approve the stabilization of the north and east foundations of the structure in accordance with the plans received on June 9, 2016, conditional upon the concurrence of the Chief Building Official regarding the methods to be followed in the execution of the proposed stabilization;**
- 5. Impose as a term and condition on said approvals that where possible the applicant be required to clean and store bricks, stone elements, and decorative metal that may be used elsewhere in the repair and restoration of the building;**
- 6. Delegate authority for the approval of minor changes to all plans to the General Manager, Planning and Growth Management and the Chief Building Official; and**
- 7. Issue the heritage permit with a one-year date of expiration from the date of issuance unless otherwise extended by Council.**

**(Note: The statutory 90-day timeline for consideration of this application under the *Ontario Heritage Act* will expire on September 7, 2016.)**

**(Note: Approval to alter this property under the *Ontario Heritage Act* must not be construed to meet the requirements for the issuance of a building permit.)**
