Re Council Agenda on 24 May 2017 - Planning Committee Report 43B, Item 7

Re: Application for Demolition of 270 Buchan Road, a Property Protected under the Ontario Heritage Act and located in the Rockcliffe Heritage Conservation District

Dear Mayor Watson / Councillor _____,

At the City Council meeting on 24 May 2017, please respect Ottawa's heritage by supporting the recommendations of the city staff report, the Built Heritage Subcommittee and Heritage Ottawa to REFUSE DEMOLITION of the grade 1 heritage property at 270 Buchan Road in the Rockcliffe Park Heritage Conservation District.

We trust that Ottawa City Council will lead by example in upholding the protection of our city's designated heritage properties.

Thank you,
