PERSONAL HERITAGE PROJECT

We have been talking to a young
lady who is doing some interesting
work in and about Ottawa. Mary
Findlay has been taping conversations
with senior citizens and developing
an oral history of the area. She
would be pleased to receive names
of prospects for future interviews
and can be reached at 234-1239.

HERITAGE FAIR

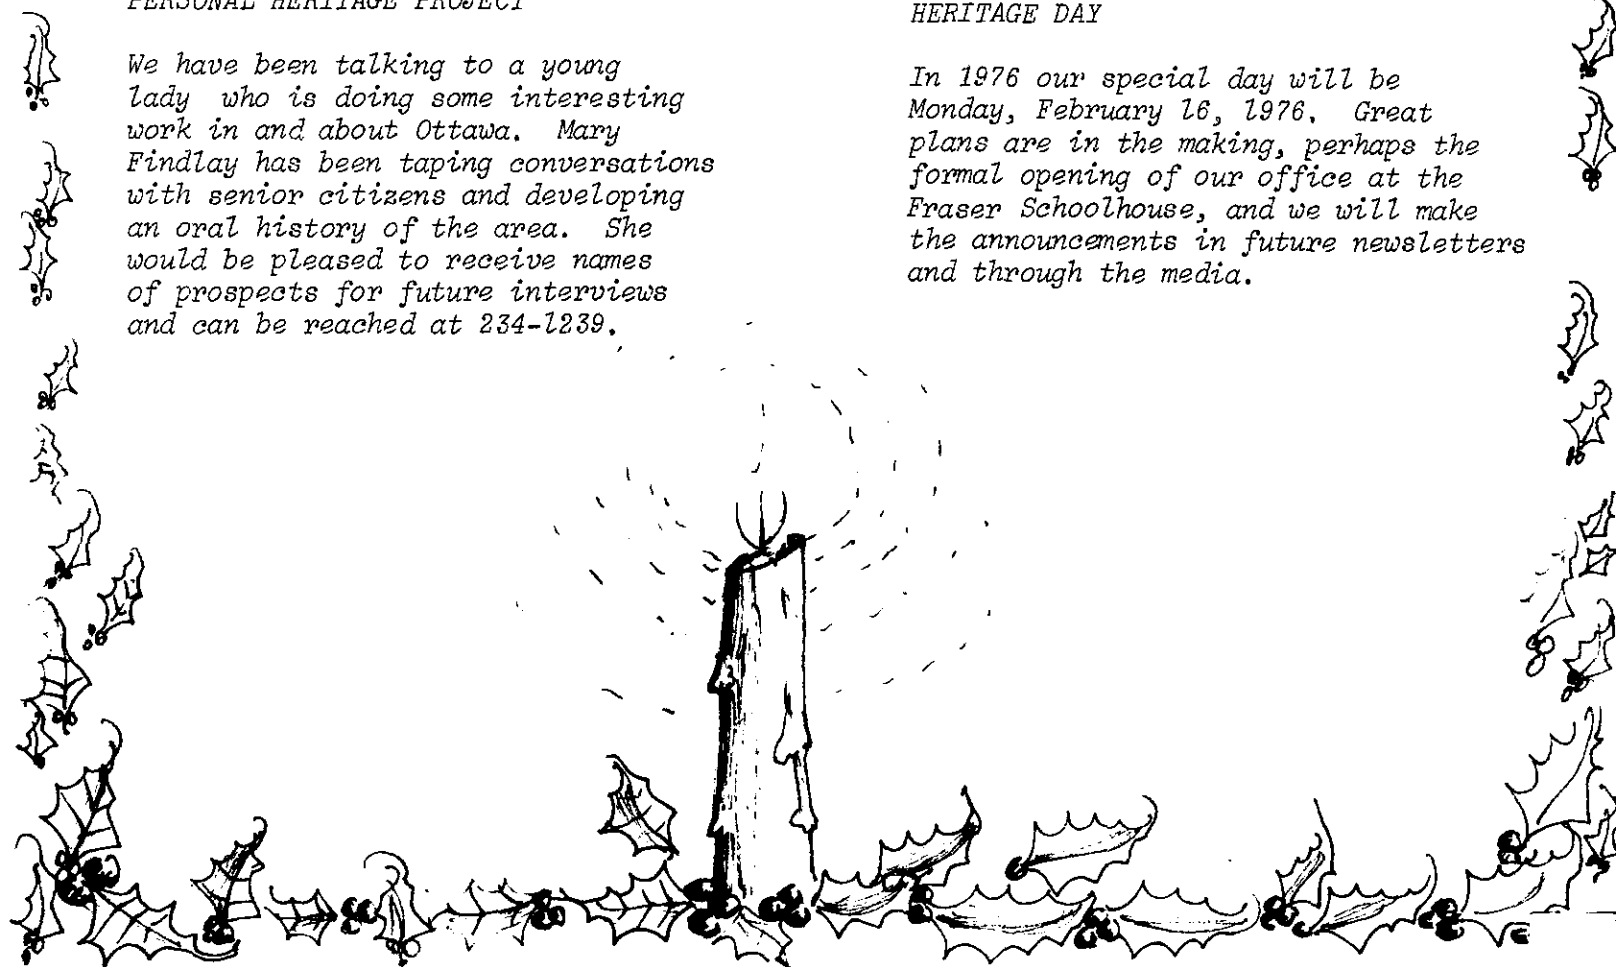

Nepean Township will again hold their
HERITAGE FAIR at the Nepean Sportsplex
in February. The fair is in aid of
their "65 Program" for Senior Citizens.
Heritage Ottawa will share a booth
with Haig & Haig Publishing Company,
where various publications including
our own on heritage will be offered
for sale. We need volunteers to
help in the booth by answering
questions about Heritage Ottawa and
its work.

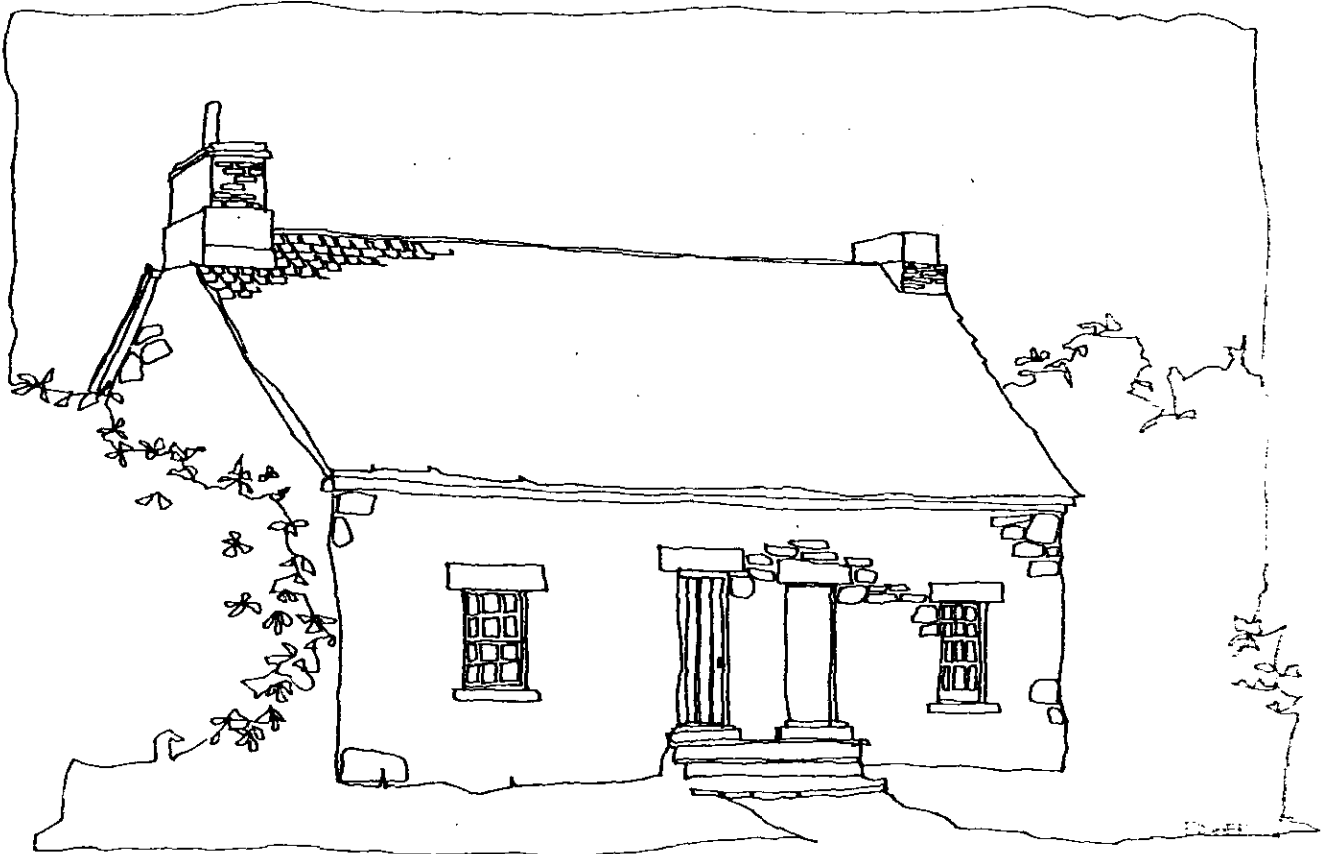

The fair is being held Wednesday
evening to Sunday afternoon inclusive,
February 25 to 29, 1976. The hours
are 4:30 to 9:30 Wednesday, 1:30
to 9:30 Thurs., Fri., & Sat., and
1:30 to 5:00 on Sunday. Volunteers
are especially needed after business
hours.

The Nepean Sportsplex is at 1701
Woodroffe Avenue, is well served by
public transportation and has ample
free parking. Volunteers can write
to Heritage Ottawa or phone Martin
Weil at 996-4065, or 238-3608
evenings.

HERITAGE DAY

In 1976 our special day will be
Monday, February 16, 1976. Great
plans are in the making, perhaps the
formal opening of our office at the
Fraser Schoolhouse, and we will make
the announcements in future newsletters
and through the media.

A PLACE OF OUR OWN

The Fraser Schoolhouse will soon be home for Heritage Ottawa. We have approved the lease, signed and returned it to the National Capital Commission for their signature.

Mrs. Marilyn Collette
Miss E. Curry
Angela Dempsey
Mrs. Margaret Gardner

We will be getting in touch with the volunteers soon to discuss how to staff the office. The more the better, we would be pleased to have further offers of assistance. Call Jerry White at 237-4560.

This Newsletter dated December 5, 1975

SETTING UP HOUSEKEEPING

The new home for Heritage Ottawa in the Schoolhouse will be occupied "as is" that is, "bare". We need furniture and furnishings of all sorts, and ask if any of you out there would like to donate or loan something to us. The following pieces of furnishing and equipment are required:

2 desks, 4 chairs, 1 typewriter
1 three drawer filing cabinet, 1 work table, 1 Gestetner or copying machine, 1 book cabinet, and a partridge in a pear tree.

On this matter, please contact Jerry White, 18 Somerset Street West, or telephone 237-4560.

P.S. For that matter, donations of cash to help us with the costs of setting up will be much appreciated. We are not able yet to give receipts for income tax purposes but we are working on it.

GROUP TO MONITOR DEMOLITION

Heritage Ottawa, in conjunction with the Federation of Citizens Associations, is setting up a committee to monitor demolition of buildings in the city. The committee will regularly obtain a list from City Hall of applications for demolition permits, and then advise community groups of those applications which affect buildings in their areas.

If you are interested in contacting the committee, you may reach the Chairman, George Kordela at 995-2981, evenings at 728-3861. Some members of his committee are Lorraine Lepage, Paul Lauzon, Michael Tiger, Sandy Hill, Judy Forest.
